MANUFACTURER

ORCA CORPORATION PTY LTD

I Toby Blundell AMS/126557, of Navsafe Marine Pty Ltd, Po Box 436, Burpengary 4505, Queensland, Australia declare that I have undertaken a practical inspection and assessment of the following 6-person, 12 person & 20 person Karly Floats on 01 October 2019 and confirm I am satisfied the products meet the requirements of the Assessment Standard.

This certificate applies to the ORCA CORPORATION PTY LTD products manufactured after 01 October 2019.

Any change, modification or alteration to the manufacturer's process or products will void this certificate.

All Karly floats must be inspected and maintained in accordance with Commercial Vessel Standards and the manufacturer's specifications.

It is recommended each float / unit be individually weighed to monitored regularly for water ingress after use.
